Description

The MAN TGE 3.180 L3H2 2.0 TDI Automatic is a rare and highly versatile van, perfectly combining practicality, performance, and flexibility. Registered as an N1 commercial vehicle with 7 seats, it offers significant tax and insurance advantages while remaining fully suitable for everyday use.

One of its standout features is the intelligent rail system (3 rails), allowing the seating configuration to be easily adjusted from 2 up to 7 seats. The seats can be repositioned, arranged in multiple layouts, or completely removed, transforming the vehicle from a comfortable passenger transporter into a spacious cargo van within minutes.

Powered by a strong 2.0L diesel engine producing 130 kW (180 HP), paired with a smooth 8-speed automatic transmission and front-wheel drive, this MAN TGE delivers both performance and driving comfort. It also offers an impressive towing capacity of up to 3,000 kg, making it ideal for both business and private use.

This vehicle is in exceptional condition:

- Accident-free and damage-free
- Non-smoker vehicle
- Stored indoors between 2021–2024
- Only 2 drivers from new

Maintenance has been carried out exclusively at certified MAN service centers, with a complete service history and a total of 6 services completed.

Recently serviced (approx. 2,000 km ago):

- Major service completed
- New front brakes
- New timing belt
- New filters, brake fluid, and engine oil (original MAN parts)
- Recently replaced tires

The vehicle has always been carefully driven (engine properly warmed up) and professionally detailed twice per year, including engine bay and interior deep cleaning.
