Description

This premium motorhome combines performance, comfort, and high-end equipment, making it an ideal choice for both relaxed holidays and long-distance travel.

Powered by a strong 180 HP (132 kW) engine and compliant with Euro 6b standards, it delivers a smooth and efficient driving experience, with an average consumption of approximately 11.2 L/100 km. The large 120L fuel tank ensures excellent range for extended journeys.

Inside, the vehicle offers a well-designed and spacious layout with 4 travel seats and 3 comfortable sleeping places, including high-quality single beds with 7-zone mattresses for optimal comfort. The generous bathroom with separate shower provides a true home-like experience on the road.

The interior is finished with attention to detail, featuring cream kitchen fronts, a microfiber ceiling lining, and a cozy living atmosphere enhanced by decorative elements such as cushions and a bed cover. The kitchen is fully equipped with an 80L refrigerator, extendable work surfaces, and a smart sink cover system with integrated cutting board.

Comfort and convenience are further enhanced by:

- Automatic climate control
- Electrically adjustable and heated exterior mirrors
- Height-adjustable passenger seat
- Steering wheel-mounted radio controls
- High-quality carpets throughout the cabin

This motorhome is exceptionally well-equipped for independent travel, including:

- Truma Combi 6E heating system (gas & electric) with Truma DuoControl CS and crash sensor
- Isolated and heated waste water tank and pipes
- 100L fresh water tank & 92L waste water tank

Battery booster and battery monitoring system

Additional highlights include:

16" alloy wheels

Rear porthole windows (two on each side)

Safe (lockbox)

Dometic 4m awning with LED lighting

Outdoor shower and external gas connection

Roof rack system (suitable for windsurf equipment)

Optional roof box

Sawiko premium carrier system

Two aluminum gas tanks with filters

Fantastic Vent 3350 in sleeping area

Built-in coffee machine

USB charging stations and smartphone holder

Additional storage shelves in the bathroom

The vehicle also features a flexible seating area convertible into an additional sleeping space, as well as smart storage solutions throughout, including a secure cargo fastening system.
